INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the references, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. A copy of the ABBOTT et al. reference is attached hereto. The Examiner is advised that the remaining references listed on substitute for form 1449 have been submitted or made of record in US application 10/192,414 filed July 9, 2002, from which the present application claims priority. Accordingly, copies of these references are not attached hereto. The Examiner is also advised of the co-owned, co-pending PCT application no. PCT/US00/40385, which may be relevant to the current subject matter

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all

listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission requires a fee of \$180.00 under C.F.R. 1.97(c)(2), which is being paid electronically in conjunction with this EFS submission. If this is not correct, or if problems are encountered using the EFS system, please charge and deficiency or refund any difference to deposit account no. 07-1969

Respectfully submitted,

/ellenwinner/
